**Parental Consent Form**

**Please read and sign in space below:**

All participants in Godric CC rides and events under the age of 18 (U18) must have a signed Godric CC Parental Consent form. The only exemption is where a young person having reached the age of 16 can prove that they are no longer living with their parents or guardians and are living as an independent adult. This needs to be proven by the supply of evidence such as a rent book or utility bill with the person's current address in their name at the time of application for membership.

**Godric CC Policy on Young People's Participation in Cycling Activities:**

The minimum age for unaccompanied U18's on a non-competitive ride/event is 13 years, and 12 for competitive events (timetrial/races).. U18's of the required age for the event may participate unaccompanied if they have parental permission and a signed Parental Consent form. There is no lower age limit for non-competitive events if accompanied by a responsible adult acting *in loco parentis*, but a signed Parental Consent form is still needed. The U18 and accompanying adult must each complete a membership form.

Parents or guardians must also understand:

- the demands of the cycling activity and that they alone can make the decision about the ability of their child to complete it;
- that the U18 rider may cycle with other adults and/or with other U18's, but that there is also a possibility of the U18 cycling on its own;
- that while Godric CC extends a welcome to cyclists of all ages and abilities, no special provision for U18's is made;
- arrangements to get to and from the event are the sole responsibility of the parent or guardian.
- that DBS checks may not have been done on event organisers or ride leaders.

Godric CC, its members, agents and other participants may take photographs during the course of an event, mostly for use on the club website and social media pages but some may be for local or national publicity purposes. It may be difficult to ensure that photographs in which your child appears will not be used in any way. If you are happy for photographs of your child to be taken and used in this way please tick here:

If there is any medical/disability/safeguarding or other information that may be required to be known or acted upon please disclose this in confidence to the club Membership Secretary with the application forms.
